Hello 🙌, I'm Jessie, a UI/UX Designer who loves to design and build websites!

With more than ten years of experience, I've had various work from creative agencies in the Philippines, Saudi Arabia, and Australia.

I graduated from Informatics, majoring in Multimedia and the Internet & received a Best in Multimedia award.

My portfolio was awarded by Awwwards last July of 2020 as honours & mobile excellence. It is one of the prestigious design communities judged by top designers around the globe.
